**ROMA-PARIGI-CITTA' GEMELLE**  
 Le manifestazioni del gemellaggio tra Roma e Parigi consacrarono, nel 1956, l'utilità di un'unione in cui si affermano i legami spirituali e sentimentali di due Citta' orgogliose del loro ricco passato e fiduciose nel loro destino ; tale gemellaggio ha per motto :  
 « ACCIPIENTES MELIORA DONANT »  
 Le mani benefiche che mescolano simbolicamente gli stemmi delle due capitali sapranno magnificare e moltiplicare i doni che riceveranno mutualmente.  
 Grazie al gemellaggio, ogni Romano a Parigi, e ogni Parigino a Roma sarà un amico d'elezione che percorre una terra amica.
